<b>Date of event</b>	13 January 2016
<b>Location</b>	Tunstall Market – indoor market stall
<p><b>People engaged with:</b></p> <p><b>13 people (details of conversation captured)</b></p> <p><b>Couple of people just took away survey and brochure.</b></p>	<p>Total 13:</p> <ul style="list-style-type: none"> <li>• Daughter and her 97 year old mother who still lives independently - thought the idea was excellent.</li> <li>• 68 year old female – heart patient who would have liked to have had the opportunity to be treated at home. Really liked the new approach.</li> <li>• Two female pensioners - one with COPD – “felt reassured” new system in place</li> <li>• Female whose mother has care at home and it is not a good service.</li> <li>• Male hospitalised with kidney problems took weeks to get home because of little adaptations in home – great to learn about it.</li> </ul>

	<ul style="list-style-type: none"> <li>• Wheelchair user who often goes to hospital – better to have it this way.</li> <li>• Wheelchair user – anything to stay out of hospital – where you end up worse than when you went in - is good news.</li> <li>• Female in 70s who lives in older people’s purpose built village – good idea and reassuring.</li> <li>• Dementia worker who took 6 copies for some for colleagues</li> <li>• Male who picked up a bug in hospital - last place you want to be – home is best.</li> <li>• Female - Dad is in hospital in community beds been 3.5 months since he first went in and still there because he has dementia and they can’t rehome him.</li> <li>• Man in wheelchair who was taking for he and his wife to read – sounds alright but let’s see what happens in reality.</li> </ul>
<p>Number of brochures and surveys handed out – circa 15</p>	
<p><b>13.01.16</b></p>
